

CENTRAL HEALTH TALK (ONLINE)

18 December 2023, Monday, 3pm – 4pm
Zoom *(Details will be provided after registration)*

Saving Your Fingers

Things to note with severed fingers injury

By TTSH Nursing Department

Accidents resulting in severed fingers may happen at work and even at home. You may rarely hear about it, but with proper management at the early stages, you can preserve and even save your fingers.

Join Norashikin and Shamane as they share useful tips on how to preserve severed digits to ensure a higher chance of successful finger reconstruction.
