

Open Access Services - Urea Breath Test

About Open Access Services

Open Access Services is a programme by Woodlands Health (WH) that allows patients seeking medical attention at primary care facilities to have direct referral access to endoscopy, minor surgery, and advanced imaging, bypassing the need for a consultation with a specialist.

Why Am I Being Referred for this Test?

Based on your symptoms, your doctor has referred you for a test known as 'Urea Breath Test'. It is a rapid diagnostic procedure to identify infections caused by *Helicobacter pylori* (H.pylori), a spiral bacterium that can be found in the stomach or part of the gut.

What to Expect

1

Before Test

- Your doctor submits a referral to WH.
- Your doctor briefs you on the estimated procedure cost.
- A WH staff will give you a call to schedule an appointment and provide financial counselling.

2

Day of Test

- Arrive at Woodlands Health Campus, Medical Centre, Level 3
- Register at the Patient Services Station.
- Proceed with the test.

3

After Test

- A WH staff will advise you on next steps including booking of a follow-up appointment (if needed) and payment.
- Please return home to rest.
- Depending on your results, you may be informed to follow up with your doctor or specialist.

Preparation Advice

4 Weeks Before Test

Stop taking these antibiotics (Metronidazole, Clarithromycin, Amoxicillin, Tetracycline).

2 Weeks Before Test

Stop the following gastric medications (antacids can be taken):

- H-2 receptor blockers: Famotidine, Ranitidine
- Proton Pump Inhibitors: Omeprazole, Esomeprazole (Nexium), Lansoprazole, Pantoprazole, Rabeprazole (Pariet)
- Other gastric medications (e.g., Bismuth compounds, sucralfate, TCM)

Day of Test

- Do not take antacids
- Fast for 6 hours before the test
- Do not take carbonated drinks (e.g. coke, sprite) 12 hours before the test
- Refrain from smoking 6 hours before the test

After Test

You may resume your usual activities, diet and medications.

Day of Test
